

What you need to know

The FamilyWize Prescription Savings Card is provided by FamilyWize, a Community Service Partnership focused on improving the health of individuals, families and communities by helping to make prescription medications more affordable.

Who: Everyone! Whether you are insured or uninsured, if you have high medication costs, FamilyWize can help you save on prescription medication. There's no registration or eligibility criteria required.

Where: Nationwide! Over 60,000 pharmacies nationwide, including all the major chains.

When: Immediately! The card can be used immediately, with no registration required.

What: Savings! FamilyWize helps ensure you get the best price on your prescriptions. It's just smart shopping!

Why: Healthier families and communities! FamilyWize helps ensure you get the best price on your prescriptions. Your good health matters!

How the FamilyWize Prescription Savings Card Works

1. Get your free card – **available three different ways:**
 - **Print** your card from familywize.org
 - **Download** the FamilyWize app on your smartphone
 - **Call** FamilyWize at 800-222-2818 to have a card mailed to you
2. Show your pharmacist the FamilyWize card every time you fill a prescription
3. Get the lowest price possible – from FamilyWize, from the pharmacy, or from your insurance

FamilyWize also provides a free **Drug Price Lookup Tool**, available on the app and on familywize.org – use it to search local pharmacies for the lowest FamilyWize price on your prescription!
