**INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS,
AFL-CIO**

AND

VERIZON CONNECTED SOLUTIONS INC.

This Agreement, dated September 19, 2012 and effective September 19, 2012, is between Local 827, International Brotherhood of Electrical Workers, AFL-CIO, an unincorporated association (hereinafter called the "Union") by its President, Vice President, Recording Secretary, and Treasurer duly authorized to act in its behalf, and Verizon Connected Solutions Inc. (hereinafter called the "Company") by its representatives duly authorized to act in its behalf.

The complete understanding between the Union and the Company has been set forth in this Agreement and exhibits and attachments hereto. Any amendment to this Agreement or any interpretation of the true intent and meaning of the provisions of this Agreement officially and mutually agreed to by the two parties concerned shall be committed to writing and signed by the duly authorized representatives of the parties.

ARTICLE 1

GENERAL PROVISIONS

Section 1 This Agreement is a successor to the August 3, 2008 collective bargaining agreement between Local 827, International Brotherhood of Electrical Workers, AFL-CIO (the "Union") and

Verizon Connected Solutions, Inc. (formerly “Bell Atlantic Communications and Construction Services, Inc.,” the “Company”) but it is not a prehire agreement pursuant to Section 8 (f) of the National Labor Relations Act. Its purpose is to promote efficiency of operations and provide for peaceful settlement of all labor disputes thereby assuring the timely and economical completion of work.

Section 2 It is also the intent of the parties to establish and maintain harmonious relations among all parties to the Agreement, to secure optimum productivity and to eliminate delays in the performance of the work undertaken.

Section 3 This Agreement shall apply to work performed by bargaining unit employees in the titles of "Multi-Media Services Technician," "Senior Multi-Media Services Technician" and any other titles which the parties may agree to add to this Agreement within the state of New Jersey. However, from time to time, the Company may at its discretion, assign its employees to perform work outside New Jersey; in such event the terms of this Agreement shall apply to such work.

Section 4 The work itself shall include installation and maintenance/repair of all facilities and equipment including, but not limited to, telephony and video, from what is commonly referred to as the terminal/TAP/ONU up to and including the “set top box” and other termination points/outlets within the customer’s residence and/or place of business.

Section 5 Employees may also be assigned other tasks, such as training the customer on how the product and/or service works and how the product and/or service was installed or repaired, selling products and services to the customer and collecting monies (e.g., deposits, etc.) and other fees (e.g., installation fees, etc.) that are due the Company.

ARTICLE 2

RECOGNITION AND COLLECTIVE BARGAINING

Section 1 The Company recognizes and acknowledges the Union as the exclusive representative of the non-supervisory employees in the titles of "Multi-Media Services Technician" (MST), "Senior Multi-Media Services Technician" (SMST) and any other titles which the parties may agree to add to this Agreement within the state of New Jersey for the purpose of collective bargaining and as their sole collective bargaining agent with respect to rates of pay, wages, hours of employment, and other conditions of employment, and for the purpose of entering into understandings and agreements with reference thereto.

Section 2 Wherever in this Agreement there is a provision for a notice of any kind to be served by the one party upon the other, it is mutually agreed to be sufficient for this purpose when the Union sends its notice to the Company's office of Director of Labor Relations, or when the Company sends its notice to the office of Local 827, I.B.E.W., AFL-CIO.

ARTICLE 3

MANAGEMENT RIGHTS

Section 1 Except as expressly limited by the provisions of this Agreement, management possesses all rights, powers and authorities, including but not limited to the right to manage, direct and operate its business and property efficiently; to hire, assign, promote, demote, transfer, layoff its employees; to discipline and discharge its employees for just cause; to discontinue, consolidate, or change any of its operations or organization; to determine the location, scheduling and character of work assignments and the sufficiency and quality of work performance of its employees; to subcontract work; and to establish reasonable rules for employee safety, conduct and orderly operations. This Agreement includes all exhibits, attachments and amendments hereto.

ARTICLE 4

WAGES AND BASIS OF COMPENSATION

- Section 1 The basic hourly wage rates and schedules for employees in the titles of Multi-Media Services Technician (MMST) and Senior Multi-Media Services Technician (SMMST) are contained in Attachment A.
- Section 2 Employees may be engaged or reengaged at basic hourly wage rates in excess of the minimum start rate, at the Company's discretion.
- Section 3 The Company may, for reasons of individual employee performance at its discretion, withhold scheduled increases as set forth in the wage schedule, Section 1 above, for up to six (6) months but no more than twice, per employee, during the term of this Agreement.
- Section 4 The Company may implement team-based incentive pay linked to service and productivity standards set by the Company (up to 20% of base wage) paid quarterly or semi-annually. Commencing with the 2013 performance year, only employees who receive a rating of "Exceeds Position Requirements", "Meets Position Requirements", "Needs Improvement", or "Does Not Meet Position Requirements" based on their VCS scorecard for the calendar quarter or half-year evaluated will be eligible for the participation in the program. This eligibility requirement will be effective only for the most recent quarter or half-year period used to distribute team-based incentive payment, with those individuals rated "Does Not Meet Position Requirements" or "Needs Improvement" receiving only 75% of the full payout. All employees' full eligibility would resume at the beginning of the subsequent calendar quarter or half-year period. The Company will meet with the Union to solicit input and review the details of the team-based incentive pay plan prior to its implementation. This section may not be arbitrated.
- Section 5 The Company may assign employees to "Lead Technician" positions. Lead Technicians will coordinate the work activities of

groups of workers, contribute to the training of employees and perform other duties assigned by the Supervisor, but not including hiring, promoting, laying off, recalling, handling grievances, administering discipline or doing employee appraisals. An employee assigned to a Lead Technician position shall be paid an extra ten dollars (\$10.00) per day assigned.

Section 6 Employees shall be paid at the basic hourly wage rate for all time worked, except as otherwise provided in this Agreement.

Section 7 (a) Time considered worked shall be limited to time actually worked, time excused as a holiday, vacation day, or time excused with pay to attend a grievance meeting as set forth in Article 6 Section 2(d). Holiday and vacation pay will be based on the employee's normal work schedule.

(b) Employees failing to report for scheduled work on the holiday, or for scheduled work on the day preceding or following the holiday, shall receive no pay for the holiday, unless such absences are excused. Provided they are reported to supervision in advance, absences for illness will be excused; and absence for other reasons may be excused by supervision at its discretion. This provision (Section 7(b)) may be grieved but not arbitrated.

Section 8 Other Excused Time Not Counted As Time Worked

(a) Absence for Jury Duty - An employee who is absent because of jury duty summons will be paid for such absence; provided, however, the employee must notify the Company that he has been summoned and he must furnish certification of the dates and hours of service from a duly authorized court. If the employee is excused from serving as a juror for the entire day, he shall report for work as scheduled or as soon thereafter as is possible. If the employee is excused from serving as a juror, for any portion of the day, he shall communicate with supervision for an assignment that is reasonable under the circumstances.

(b) Death in Family - An employee who is absent because of a death in his immediate family shall be paid for absent time but

not more than four (4) normal work days (tours) he is scheduled to work as part of his normal work week. Thereafter, solely at the discretion of the Company, an employee may take part or all of his remaining eligible vacation time or excused time without pay because of a death in his immediate family. "Immediate family" means the employee's spouse, children, parents, brothers, sisters, mother-in-law, father-in-law, step children, step parents, grandparents, and, effective January 1, 2004, domestic partner as described and identified in the "Domestic Partner Agreement".

- (c) **Illness Absences** - Employees with twenty-four (24) months service or more will be paid for days of absence due to their own illness up to a maximum of four (4) days per year. Employees with eighteen (18) months but less than twenty-four (24) months service will be allowed up to three (3) such paid sick days per year. Employees with twelve (12) months but less than eighteen (18) months service will be allowed up to two (2) such paid sick days per year. Employees with six (6) months but less than twelve (12) months service will be allowed one (1) such paid sick day per year. Additional sick time may be excused without pay, but regular attendance will be a condition of employment. Effective January 1, 2004, in the event (i) no illness absence paid days have been used by an employee within the calendar year, and (ii) if, thereafter, an employee exhausts his paid sick days as a result of an absence which transitions into a Disability as that term is defined in Article 12, Section 6 (b)(2), then, in that event, the employee will be allowed one additional illness absence paid day for that calendar year for that absence.

Section 9

- (a) Employees shall be paid at the rate of one and one-half times their basic hourly wage rate for all hours worked in excess of a forty (40) hour work week.
- (b) Employees shall be paid at the rate of one and one-half times their basic hourly wage rate for all time worked in excess of a normal work day; provided that any such overtime payments

shall be credited against any overtime payments required under Article 4 Section 9(a).

(c) Telephony Operations - An employee in Telephony Operations will be required to work no more than a total of ten (10) overtime hours in any payroll week during seven (7) calendar months in each of the years 2013, 2014, and 2015, and no more than a total of fifteen (15) overtime hours in any payroll week during the remaining five (5) calendar months in those years, except in case of emergency, long-term service difficulties or if the employee consents to work additional overtime beyond the ten (10) hours or the fifteen (15) hours as may be applicable. The Company shall specify the months in which each of the above overtime limitations will apply. The Company will give to the Union, twice a year, on or about the first day of January and July, notification of the following six months in which each of the above overtime limitations will apply. No provision of this Section shall constitute a guaranty as to the minimum or maximum number of hours of work per week which may be required on the part of any employee. An “emergency” is defined as an event of national importance, fire, explosion, or other catastrophe, severe weather conditions, major cable and equipment failures, or an act of God. The parties recognize that service difficulties for an extended period may develop from time to time during which suspension of the above overtime limitations would be appropriate. In the event such service difficulties develop, the Company and the Union will meet to discuss the problem and determine how to best deal with the situation. Management will first attempt to use volunteers to meet overtime needs. When there are not enough volunteers and overtime is assigned, management will review an employee’s request to be excused if timely presented, and will accept excuses that are reasonable after considering the circumstances of the employee and the needs of the business. If requested by the Union, the Company will provide a list which depicts the number of overtime hours worked by employees.

Section 10

Higher Craft Pay - Temporary Assignment - Employees who are temporarily assigned to work, and work in a title carrying a higher maximum rate for one (1) or more hours, shall have their basic

hourly rate adjusted for all hours to be paid on the day involved by the difference between the maximum hourly rate for their title and the maximum hourly rate for the title to which they are temporarily assigned.

Section 11 All steps of the basic hourly wage schedules shall be increased, annually, as follows (refer to Attachment A):

Effective Date	Percentage Amount	Applied to
The first Sunday after ratification of the 2012 successor collective bargaining agreement	2.25%	All steps of the MMST Wage Schedule

Section 1. Eligibility for Benefits:

Regular employees of the Company shall be eligible to be covered by Company-sponsored health and welfare plans in the calendar month following the sixth month of service. A full-time or part-time employee may elect to participate in the medical plan prior to that date by paying the applicable premium, which will be based on actual plan costs per participant as determined by the Company from time to time. For a part-time employee who is scheduled to work less than 25 hours per week and who, after six months of service, wishes to be covered under the medical and dental plans maintained by the Company, the employee may purchase coverage by electing to have a full or 50% premium withheld from pay. The amount of the premium will be based on the employee's scheduled hours on the records maintained by the supervisor, in bands of 0-16 hours per week (no Company contribution; 100% employee-paid), 17-24 hours (50% Company-paid premium), where the term "premium" refers to the actual average cost of coverage under each applicable benefit plan, as determined by the Company.

(a) Amendment to Benefit Plans - Benefit plans in this Article may be amended from time to time. However, benefit levels may not be diminished nor may services covered by the plans be removed by such amendments without prior agreement by the Union.

Section 2. Medical Benefit Plan:

The Medical Plan is set forth in attachment O.

Section 3. Dental Plan:

The Dental Plan is set forth in attachment O.

Section 4 401(k) Savings Plan:

Employees of the Company hired or rehired by the Company before October 28, 2012 will be eligible to participate in the Verizon Savings and Security Plan (Non-Salaried Employees) in accordance with the same terms as apply to employees of Verizon New Jersey, Inc., (including provisions relating to the IBEW Savings Plan as administered by Scarborough Alliance), except that an employee who becomes eligible for a Company match after one year of service shall receive effective January 1, 2004 a Company match equal to 60% of the employee's Basic Contributions. Employee Basic Contributions shall be a percentage of basic weekly rate of pay, with a maximum Basic Contribution up to six percent of the basic weekly rate of pay. Except as provided above and below and with notice to the Union and opportunity to discuss, the Company has the discretion to amend the terms of the Verizon Savings and Security Plan from time to time.

Employees who are hired or rehired as a union-represented employee on or after October 28, 2012 and not eligible to earn pension benefits ("New Hires") will be eligible upon start of employment to participate in the Verizon Savings and Security Plan (Non-Salaried Employees) and receive a Company matching contribution equal to 75% of the New Hire's Basic Contributions. New Hire Basic Contributions shall be a percentage of basic weekly pay, with a maximum Basic Contribution up to six percent of the basic weekly rate of pay. The Discretionary Contribution will be effective October 28, 2012 and for the balance of 2012, 2013, 2014, and 2015 plan years. An eligible New Hire will not have to contribute to the plan to be eligible for the Discretionary Contribution. Eligible New Hires would have to be employed as eligible employees on the last

day of the plan year to be eligible for the Discretionary Contribution. The Discretionary Contribution would be between 0-3% of the basic weekly rate of pay actually paid during the plan year and would be set at the same percentage as the performance-related contribution for wireline management employees under the management savings plan for the same plan year. The Company would determine each applicable plan year whether the Discretionary Contribution would be made in cash and/or Verizon stock invested in the Verizon stock fund under the plan. Discretionary Contributions invested in the Verizon stock fund would be subject to participant investment diversification in accordance with the current terms of the plan. Discretionary Contributions would not be available for in-service withdrawal, and they would be subject to the same vesting schedule as Company matching contributions.

Section 5 After an employee accrues six (6) months of service, the Company will provide basic life insurance coverage in an amount equal to one (1) times annual basic pay, and Accidental Death and Dismemberment ("AD&D") coverage with an accidental death benefit equal to one (1) times annual basic pay. In addition, for each such employee, the employee may purchase, at the actual cost of coverage under the plan, one (1) or more of the following: (a) supplemental life insurance coverage, in amounts up to five (5) times annual basic pay, (b) dependent life insurance, in amounts of coverage determined by the Company up to \$25,000 for a spouse and up to \$5,000 for a child, and (c) dependent AD&D coverage, in amounts of coverage determined by the Company up to \$50,000 for a spouse and up to \$5,000 for a child. Section 6 Short Term Disability Benefits

- (a) **Benefits Offered:** The Company will provide for eligible employees on short term disability certain wage replacement benefits (the "Short Term Disability Plan" or the "Plan").

- (b) **Terms of Short Term Disability Plan:** The Short Term Disability Plan shall provide wage replacement benefits in accordance with the following terms:
 - (1) **Eligibility:** An employee will be eligible for wage continuation benefits under the Plan if he or she is a regular full-time or regular part-time employee of the Company, and has a qualifying total disability in which the first day of absence from work on account of the disability occurs in a calendar year in which the employee accrues at least one year of service as of December 31st of that year (in accordance with the table below).
 - (2) **Definition of Disability:** "Disability" shall mean a condition which, as determined in the discretion of the benefit administrator of the Short Term Disability Plan, is a direct result of a significant adverse change in an Employee's physical or mental condition that causes the Employee to be unable to perform the regular duties of his or her position with the Company. For purposes of this Plan, so long as an Employee continues to be found by the Plan's benefit administrator to be undergoing a Disability, and is otherwise in compliance with the other terms and conditions of this Plan, the Employee will be considered to be "Disabled". As a condition of continuing eligibility to receive wage replacement benefits under the Plan, the Plan shall require the employee (i) to remain in the care of a physician, (ii) to ensure that the physician documents the employee's Disability and delivers such documentation of the clinical evidence of the employee's disability to the satisfaction of the benefit administrator, and (iii) to cooperate with the benefit administrator's efforts to communicate with the employee, obtain further information from the employee, schedule examinations, or otherwise assist the benefit administrator's role in monitoring and evaluating the

ongoing status of the employee's Disability. As a further condition of eligibility for wage replacement benefits, the employee would be required to deliver a voluntary written release of the employee's otherwise confidential medical records relating to his or her Disability and associated medical conditions to the benefit administrator of the Plan and any independent medical expert which the administrator chooses to consult.

- (3) Incidental Absence Days: The Plan is not intended to modify or eliminate the Company's existing program of incidental absence days (or sick days) which an eligible employee with sufficient service may qualify to receive.
- (4) Benefits Provided by the Plan: Under the Plan, an eligible employee may qualify to receive a wage continuation benefit commencing on the 8th calendar day after the first day of absence from a scheduled day of work on account of Disability, and continuing for a number of days, based on years of service, as described in the table below, effective January 1, 2004. For purposes of the table below, (i) the employee's "Service" is measured as of December 31st of the calendar year in which the first day of qualifying disability occurs, and "Full Day's Pay" means, as of the first day of absence from work on account of Disability, the employee's then-existing base wage rate per day (after proration for part-time service, in the case of an employee who is then scheduled to work part-time).

<i>"Service" as of December 31st of calendar year</i>	<i>Maximum number of "Full Day's Pay" per calendar year</i>

- (5) No Carry Over: Accrued but unused days of potential wage replacement benefits may not be carried over from one calendar year to the next.

- (c) **Company Paid Health and Insurance Benefits:** The adoption of the Short Term Disability Plan is not intended to eliminate the Company's existing practice of providing company-paid premiums for coverage under Company-sponsored medical, dental, life insurance and AD&D benefit plans during a period of absence on account of Disability, for a period of as much as 26 weeks, so long as the absence continues to be certified as a Disability, and so long as the Disability absence commences after the date as of which the employee had begun to be covered under such benefit plans, either on a Company-paid or employee-paid basis.

- (d) **Legally Mandated Programs:** Nothing in this Plan is intended to eliminate any right an employee may have to receive benefits under the Workers' Compensation laws of the several states; provided, however, that any wage replacement benefits that the employee may be eligible to receive under this Plan shall be reduced dollar-for-dollar by any Workers Compensation payments that the employee is receiving for the same time period. Nothing in this Plan is intended to eliminate any rights an employee may have under the federal law known as the Family and Medical Leave Act; provided, however, that paid and approved unpaid incidental absence days, and any period of approved Disability absence under this Plan (whether or not such days qualify for Full Day's Pay), shall count against an employee's eligible days for excused absence under FMLA so long as the Company determines that the employee's absence qualifies for excused absence under FMLA regulations.

The employee’s election shall not reduce the employee’s benefit-bearing wages for purposes of the savings plan, group term life insurance plan, or any other benefit that is based on an employee’s wages.
- (f) Eligible Expenses: The “Eligible Expenses” which shall be reimbursable from a participating employee’s Health Care Reimbursement Account shall be expenses which are deductible as medical expenses of the employee and his Dependents (as defined above) under Code Section 213(d), subject to exceptions and limitations to conform with IRS requirements.
- (g) Irrevocable Election: Any unused amounts remaining in an employee’s Health Care Reimbursement Account after all claims have been submitted and processed by the deadline for the plan year must, as a matter of tax law, be forfeited. Section 8

The employee’s election shall not reduce the employee’s benefit-bearing wages for purposes of the savings plan, group term life insurance plan, or any other benefit that is based on an employee’s wages.
- (f) Eligible Expenses: The “Eligible Expenses” which shall be reimbursable from a participating employee’s Dependent Care Reimbursement Account shall be expenses, which are eligible for reimbursement under IRS regulations.
- (g) Irrevocable Election: Any unused amounts remaining in an employee’s Dependent Care Reimbursement Account following the deadline for submission of claims for the plan year must, as a matter of tax law, be forfeited. Any amounts forfeited will be utilized by the Plan, first, to reimburse the Plan for administrative costs and any benefit amounts paid to employees in excess of their contributions, and to credit the remaining forfeited amount (if any), pro rata, to the Plan accounts of participants for the next plan year.

Section 1 Should any valid Federal or State Law, or the final decision or order of any Court or national or state regulatory body of competent jurisdiction specifically affect any provisions of this Agreement, the provision or provisions so affected will be construed as having been changed to conform to the law or decision, and the other provisions of this Agreement will continue in full force.

ARTICLE 16

Section 1 Where employees are assigned work requiring them to be absent from home overnight, they shall be provided with an allowance of twenty five dollars (\$25) first day, thirty dollars (\$30) intervening day(s) and twenty five dollars (\$25) last day for board. Employees shall also be reimbursed for actual expenses incurred for lodging; normally, the Company will make the lodging arrangements.

Section 2 Notwithstanding the Company's designation of certain assignments as "board and lodging assignments," the Company may permit the employee to choose between boarding and lodging and traveling daily between his home and the temporary work location. In cases where the employee elects to travel daily, he shall be granted an allowance of thirty dollars (\$30) first day, thirty five dollars (\$35) intervening day(s) and thirty dollars (\$30) last day and, in addition, excess travel time (the amount over normal commuting time) and excess mileage (the amount over the normal commuting distance) will be paid on the first and last days only.

- (c) Use of Personal Vehicle During the Work Day: Employees will not normally be required to use their personal vehicle for company business, however, when an employee uses his personal vehicle during the course of the work day to travel to work locations, he shall be reimbursed for all mileage incurred during the course of the work day, consistent with the Internal Revenue Service’s (IRS) standard mileage rate allowable as a business use deduction from gross income.
- (d) In the event the IRS changes the standard mileage rate allowable as a business use deduction from gross income during the term of this Agreement, the Company will change the amount of the reimbursement accordingly effective on the first of the second month following publication of the change by the IRS, but in no event prior to the effective date of the IRS increase.

Section 4

When an employee is assigned to work at a temporary work location which the Company determines is a “board and lodging assignment,” the employee will not be required to spend more than six (6) weeks away from the employee’s normal reporting location unless advised in advance that the assignment may last longer. At the conclusion of the “board and lodging assignment” the employee will return to his normal reporting location, subject to any force adjustment that may have occurred.

ARTICLE 17

LAYOFF PROCEDURE

- Section 1 Should the Company find it necessary to layoff employees, the procedure set forth in this Article shall be followed. The Company will decide the necessity for and will determine the extent of any required layoff, the effective date or dates thereof, and the job title(s), work groups and "Geographic Areas" (as defined in Section 2) affected.
- Section 2 In the event the Company determines to layoff employees, it shall first notify the Union of its intent in writing. Thereafter, the layoff shall be accomplished in the inverse order of seniority, providing the remaining employees have the skill and ability to perform the work, among employees with normal reporting locations within the affected Geographic Area. Before laying off regular employees in a particular Geographic Area, and title, temporary employees or employees hired for a fixed term in that Geographic Area and title will be laid off. "Geographic Area" for purposes of this section shall mean the geographical territories of each of the Union's six units (Northern, Essex, Hudson, Raritan, Central, Southern) as set forth on the map in Attachment C.
- Section 3 Employees who are laid off shall be given at least three (3) weeks' notice of such layoff or three (3) weeks' pay in lieu of notice at the Company's discretion.
- Section 4 In hiring in any Geographic Area in any affected title following a layoff, the Company will offer reemployment to qualified employees who have been laid off in that geographic area in the affected title in the inverse order in which said employees were laid off, subject to the provisions of this paragraph. The Company will have fulfilled its obligation hereunder with respect to any laid off employee, by offering reemployment by registered mail addressed to the laid off employee's latest address as shown by the records of the Company. Any such laid off employee must respond and be available for reemployment within fourteen (14) days of the date of the registered mail receipt; otherwise the laid off employee shall be deemed to have refused reemployment and the Company's obligation under this paragraph shall be terminated. There shall be no obligation to offer reemployment to any employee who has been laid off more than one (1) year. It shall be the responsibility of laid off employees to inform the Company of changes in address.

- (a) Any laid off employee offered reemployment must be able to meet the requirements of the available job at the time such offer is made, including any normal drug-testing or other employment screens.

ARTICLE 18

TRANSFERS OF UNION REPRESENTATIVES

Section 1 The Company agrees that it will not make any transfer of any steward or alternate (even though the steward or alternate is agreeable thereto) which affects his/her status as a duly certified steward or alternate of the Union, without first notifying the Union.

Section 2 The Company shall give the Union at least two (2) weeks written notice of the proposed transfer. If the Union objects to the transfer, the Union shall notify the Director of Labor Relations and the issue(s) surrounding the transfer shall be discussed. If, after the conclusion of discussion(s) with the Director of Labor Relations, the Union is still unsatisfied it may arbitrate the transfer only on the issue of whether the Company acted arbitrarily or in bad faith.

ARTICLE 19

INTERNAL CANDIDATE PROMOTION PLAN

Section 1 In the event a job opportunity occurs in the bargaining unit, the job opening shall be posted on Company bulletin boards for up to 10 calendar days and a copy of the posting will be faxed to IBEW Local 827, Headquarters (disputes regarding the receipt of the fax shall not affect the 10 day posting period). The posting will describe the position available and the qualifications required for the position. Employees who desire to apply for the job opportunity will complete the appropriate Senior Multi-Media Services Technician Job Application form and fax it to the

telephone number indicated on the job posting. Local supervisors are required to review and sign the Job Application form(s).

- Section 2 If the Company determines to fill the vacancy with an internal candidate, the Company will determine who is the most qualified internal applicant for the position based on training, job experience, job performance, attendance and safety. In the event two or more applicants have substantially equal qualifications, the applicant with the greater net credited service will be awarded the position. In the event a second tie breaker is required, the selection will be made alphabetically based on the last name.
- Section 3 Employees who have been selected for the position may not apply for another posted opportunity for a period of eight (8) months. This restriction will be waived should the Company announce a lay-off situation.
- Section 4 The Company will make the selection of the most qualified applicant in a timely manner.
- Section 5 Once the decision has been made and the selected applicant has been notified and offered the position, he/she will be transferred to the new position within 30 days of such notification and offer and will receive the appropriate wage treatment.
- Section 6 Requisitions are considered closed at the end of the posting date. Applicants who apply after the closing date will not be considered. Any additional positions that become available after a closing date will be posted and applicants must apply for the position in order to be considered.
- Section 7 Notwithstanding the aforementioned process for handling internal promotion opportunities, the Company reserves the right to hire from the external market.
- Section 8 Any disputes regarding the application of this agreement which is not resolved through the grievance procedure may be submitted to arbitration, as provided in Article 7, Arbitration, of the Collective Bargaining Agreement, but in that event, the decision of the Company shall be controlling unless the Company is shown to have acted arbitrarily or in bad faith.

ARTICLE 20

PENSION PLAN

- Section 1 Pension Plan for Employees: The Company will offer a defined benefit pension plan (the "Pension Plan") to eligible employees. An employee may commence participation in the plan on the later of January 1, 2001 or the date the employee attains six (6) months of service. To accomplish this result, the Company will amend the pension plan in which management employees of the Company participate (namely, the Bell Atlantic Cash Balance Plan (the "Plan")) to cover eligible employees of the Company whose terms and conditions of employment are subject to the Collective Bargaining Agreement.
- Section 2 Eligible Employees: "Eligible" employees shall include full-time and part-time regular employees who satisfy the eligibility provision of the Plan that requires six (6) months of service.
- Section 3 Terms of Pension Plan: The Pension Plan shall provide benefits in accordance with all of the terms and conditions of the Plan that are applicable to management employees of the Company, except that (a) benefit bearing compensation shall be determined as stated in paragraph 4 of this section (and references to base "salary" in the Plan will be interpreted to apply to base wages), (b) the provisions relating to converting Management Pension Plan benefits as of December 31, 1995 or 1997 shall not apply because they are inapplicable to employees first covered by the plan at any time after those dates, (c) the special death benefits for employees hired prior to 1985 or 1991 shall not apply, and (d) "Pay Credits" (as defined in the plan document) under the Pension Plan shall be determined as follows:

"Points" (sum of years of service and age at start of plan year, as defined in the existing Plan)	"Pay Credit Percentage" (as percent of benefit-bearing pay)
Less than 35	4.0%
At least 35, but not more than 49	4.5%
At least 50, but not more than 64	5.0%
65 or more	5.5%

Section 4 **Benefit Bearing Pay:** For purposes of the Pension Plan, an employee's benefit-bearing pay shall be the gross pre-tax amount, when paid, of an employee's base wages (not including any overtime pay) and an employee's actual incentive award (if any) under the Technician Incentive Pay Plan. The benefit-bearing pay shall not be reduced by the amount of any contributions that the employee may contribute to the Savings Plan or contribute toward the cost of coverage under any other benefit plan. For an employee who commences participation after attaining six (6) months of service, the provisions of the Pension Plan that credit the employee with "Pay Credits" and "Interest Credits" (as defined in the existing Pension Plan) retroactive to the employment commencement date shall be applicable, subject, however, to a transition rule which provides retroactive Pay and Interest Credits to a date no earlier than the January 1, 2001 effective date of the Company's adoption of the Pension Plan.

Section 5 **Bargaining Rights:** The Union acknowledges that the Pension Plan has other participants who are not covered by the collective bargaining agreement and that with respect to those participants the Company may choose in its sole discretion to terminate or amend any aspect of the Plan without notice. The Union therefore consents to any amendments to the Pension Plan that the Company chooses to make during the term of the collective bargaining agreement (including amendments affecting represented employees under this Agreement), except (1) that the Company shall not, during the term of this Agreement, terminate the Pension

Plan as it applies to participating employees who are represented under this collective bargaining agreement or change the “Pay Credit Percentages” (as defined in the existing Pension Plan) applicable to the participating employees who are represented under the collective bargaining agreement, (2) the Company shall not retroactively reduce any accrued benefits, and (3) the amendments are also applicable to management employees in the Plan. The Union acknowledges that it has hereby clearly and unmistakably waived any right to bargain over any such change to the Pension Plan (or any change in administrative provisions that do not alter benefit levels or benefit features) during the period covered by the collective bargaining agreement.

Section 6 Without negating any provision in paragraph 5, prior to implementation of a Pension Plan amendment that would affect benefit levels or benefit features affecting bargaining unit employees, the Company will notify the Union and give them an opportunity to express their concerns regarding those amendments.

Section 7 Any associate who is hired or rehired as a union-represented associate on or after October 28, 2012 will not be eligible to participate in the Pension Plan except as provided in Paragraph 2 for recalled associates.

Section 8 Associates hired before October 28, 2012 who are laid off and subsequently recalled to VCS employment before contractual recall rights expire will be eligible to participate in the Pension Plan but will not be eligible if rehired after recall rights expire and will be classified as a New Hire.

Re: Scope of Work

It is the Company's understanding that during 2000 contract negotiations between Verizon OTCs and the CWA, in the former Bell Atlantic South jurisdictions, the OTCs agreed to discontinue over a certain period of months the subcontracting of "repair of drops" to Verizon Connected Solutions, Inc.. The Company acknowledges that as separate companies, the OTCs have the right to discontinue subcontracting such work and have extended a subcontracting commitment to IBEW Local 827. To the extent Verizon New Jersey has entered into an agreement with IBEW Local 827 regarding subcontracting "repair of drops" to Verizon Connected Solutions, the Company will adjust its operations accordingly and consistent with any timeframes Verizon New Jersey specifies.

Notwithstanding the potential or actual loss of "repair of drop" work, the IBEW acknowledges the competitive nature of the Company's deregulated Enhanced Services lines of business and is committed to assisting the Company expand in this area. The Company's deregulated Enhanced Services product line involves the design, installation and maintenance of integrated wire (e.g., fiber, copper, coax and any other newly created facilities) and wireless solutions for voice, data, video, audio, security, computer applications, hardware, equipment, and software for residential and commercial customers only from what is commonly referred to as the terminal/tap/ONU up to and including the "set top box" and other termination points and outlets within the subscriber's residence and/or place of business. This work includes connecting the inside integrated wire to the subscriber's equipment and performing associated functions in the subscriber's premises. Furthermore, these deregulated Enhanced Services will be performed inside and outside the customer's premises and between multiple customer locations (e.g., campus environment, multiple dwelling units (MDUs)) only between the terminal/tap/ONU and the subscriber's equipment in the subscriber's residence and/or place of business. To that end, the IBEW agrees not to challenge or seek to limit the scope of work within Enhanced Services or to challenge the work jurisdiction of the Company's Technicians (Multi-Media Services Technician and Senior Multi-Media Services Technician) provided that

the work they do is performed between the terminal/tap/ONU and the subscriber's equipment in the subscriber's residence and/or place of business. As used herein, the word "only" is intended to identify the work jurisdictional geography in which bargaining unit employees perform their work duties. It does not limit the duties the employees perform. Attached are two diagrams which show examples of geography where bargaining unit employees perform work.

Attendance Discipline

The Company and Union recognize that the Company administers progressive discipline for employee attendance problems. It is agreed that the Company may, at its discretion, substitute a disciplinary letter where an employee would otherwise be suspended for tardiness and/or absence. This letter will be tantamount to a suspension and be sufficient to constitute progressive discipline. As such, it may be arbitrated pursuant to Article 6, Section 4(b) and Article VII if the employee had twelve months of net credited service at the time of the discipline. CHANGES TO EXISTING HEALTH CARE BENEFITS, INCLUDING PRESCRIPTION DRUG, DENTAL AND VISION COVERAGE, FOR ACTIVE EMPLOYEES

The provisions of the Connected Solutions Managed Care Health Plan (the “VCS Medical Plan”) regarding medical and prescription drug benefits, the Verizon Dental Expense Plan for Mid-Atlantic Associates (the “VDEP”) regarding dental benefits, and the Connected Solutions Vision Care Plan (the “VCP”) regarding vision benefits, for active VCS employees who participate in the VCS Medical Plan, the VDEP and the VCP will be amended as follows:

A. Medical and Prescription Drug Benefit Changes Applicable to VCS Medical Plan.

1. **Benefit Options.** Effective as of January 1, 2013, the VCS Medical Plan medical options referred to as the Managed Care Health Plan (“MCHP”) and the Out-of-Area Option will no longer be offered by the Company to VCS employees and their eligible dependents. Instead of the MCHP and the Out-of-Area Option, eligible VCS employees and dependents will be offered the Managed Care Network (MCN) Option and the MEP PPO Option under the terms of the Verizon Managed Care Network and Medical Expense Plan for Mid-Atlantic Associates (VMEP) that apply to “IBEW Employees”, as amended by Section VIII.2.B of the 2012 Common Issues Memorandum of Understanding between Verizon New Jersey Inc., Verizon Pennsylvania Inc., Verizon Services Corp., Verizon Advanced Data Inc., Verizon Avenue Corp., Verizon Corporate Services Corp. and International Brotherhood of Electrical Workers, AFL-CIO Locals 827 and 1944 (the “IBEW Mid-Atlantic 2012 MOU”). The VCS Medical Plan will be amended so that a “mirror image” of the MCN Option and the MEP PPO Option offered under the terms of the VMEP, as amended by the IBEW Mid-Atlantic 2012 MOU, will replace the MCHP and the Out-of-Area Option. The EPO Option and HMO Option changes set forth in the IBEW Mid-Atlantic 2012 MOU will apply to VCS employees and their eligible dependents and such provisions will be incorporated into Article 16 of the VCS Medical Plan.

Effective as of January 1, 2013, the prescription drug program outlined in the VCS Medical Plan will no longer be offered by the Company to VCS employees and their eligible dependents. Instead of the prescription drug program outlined in the VCS Medical Plan, VCS employees and their eligible dependents will be provided with a “mirror image” of the prescription drug coverage as outlined in the VMEP, as amended by the IBEW Mid-Atlantic 2012 MOU.

2. Contributions for Medical Coverage. Effective as of November 1, 2012, each VCS employee will be required to pay a monthly contribution toward the cost of coverage for the medical option coverage category elected by such VCS employee in the same manner and in the same amounts as other Mid-Atlantic associates as set forth in Section VIII.2.B.7 of the IBEW Mid-Atlantic 2012 MOU. For 2012, the monthly employee contributions applicable to the MCHP Option and the Out-of-Area Option will be the same as the monthly employee contributions applicable to the MEP PPO Option and the MCN Option for the remainder of the 2012 Plan Year. Effective as of January 1, 2013, VCS employees will be offered the same medical options as Mid-Atlantic associates and therefore, the monthly employee contributions toward the cost of coverage will be the same as set forth in Section VIII.2.B.7 of the IBEW Mid-Atlantic 2012 MOU. For purposes of the monthly employee contribution amounts, the EPO Option and HMO Options will be considered “Other Medical Options” (as defined in the IBEW Mid-Atlantic 2012 MOU) for purposes of determining a VCS employee’s required monthly employee contribution for such options.

3. Cost-Containment Features; Health Management Program. The cost-containment and health management programs set forth in Section 13 of the VMEP, as amended by Section VIII.2.B.6 of the IBEW Mid-Atlantic 2012 MOU will apply to VCS employees. The VCS Medical Plan will be amended so that a “mirror image” of these cost-containment and health management program provisions will replace such provisions in the VCS Medical Plan.

B. Dental Benefit Changes.

Effective as of January 1, 2013, the dental coverage option referred to as the Standard Option, applicable to VCS employees and their eligible dependents as provided under the VDEP, will continue to be offered by the Company to VCS employees and their eligible dependents, as “IBEW Employees.” A separate category of dental benefits will no longer apply to VCS employees and their eligible dependents under the VDEP.

C. Vision Benefit Changes.

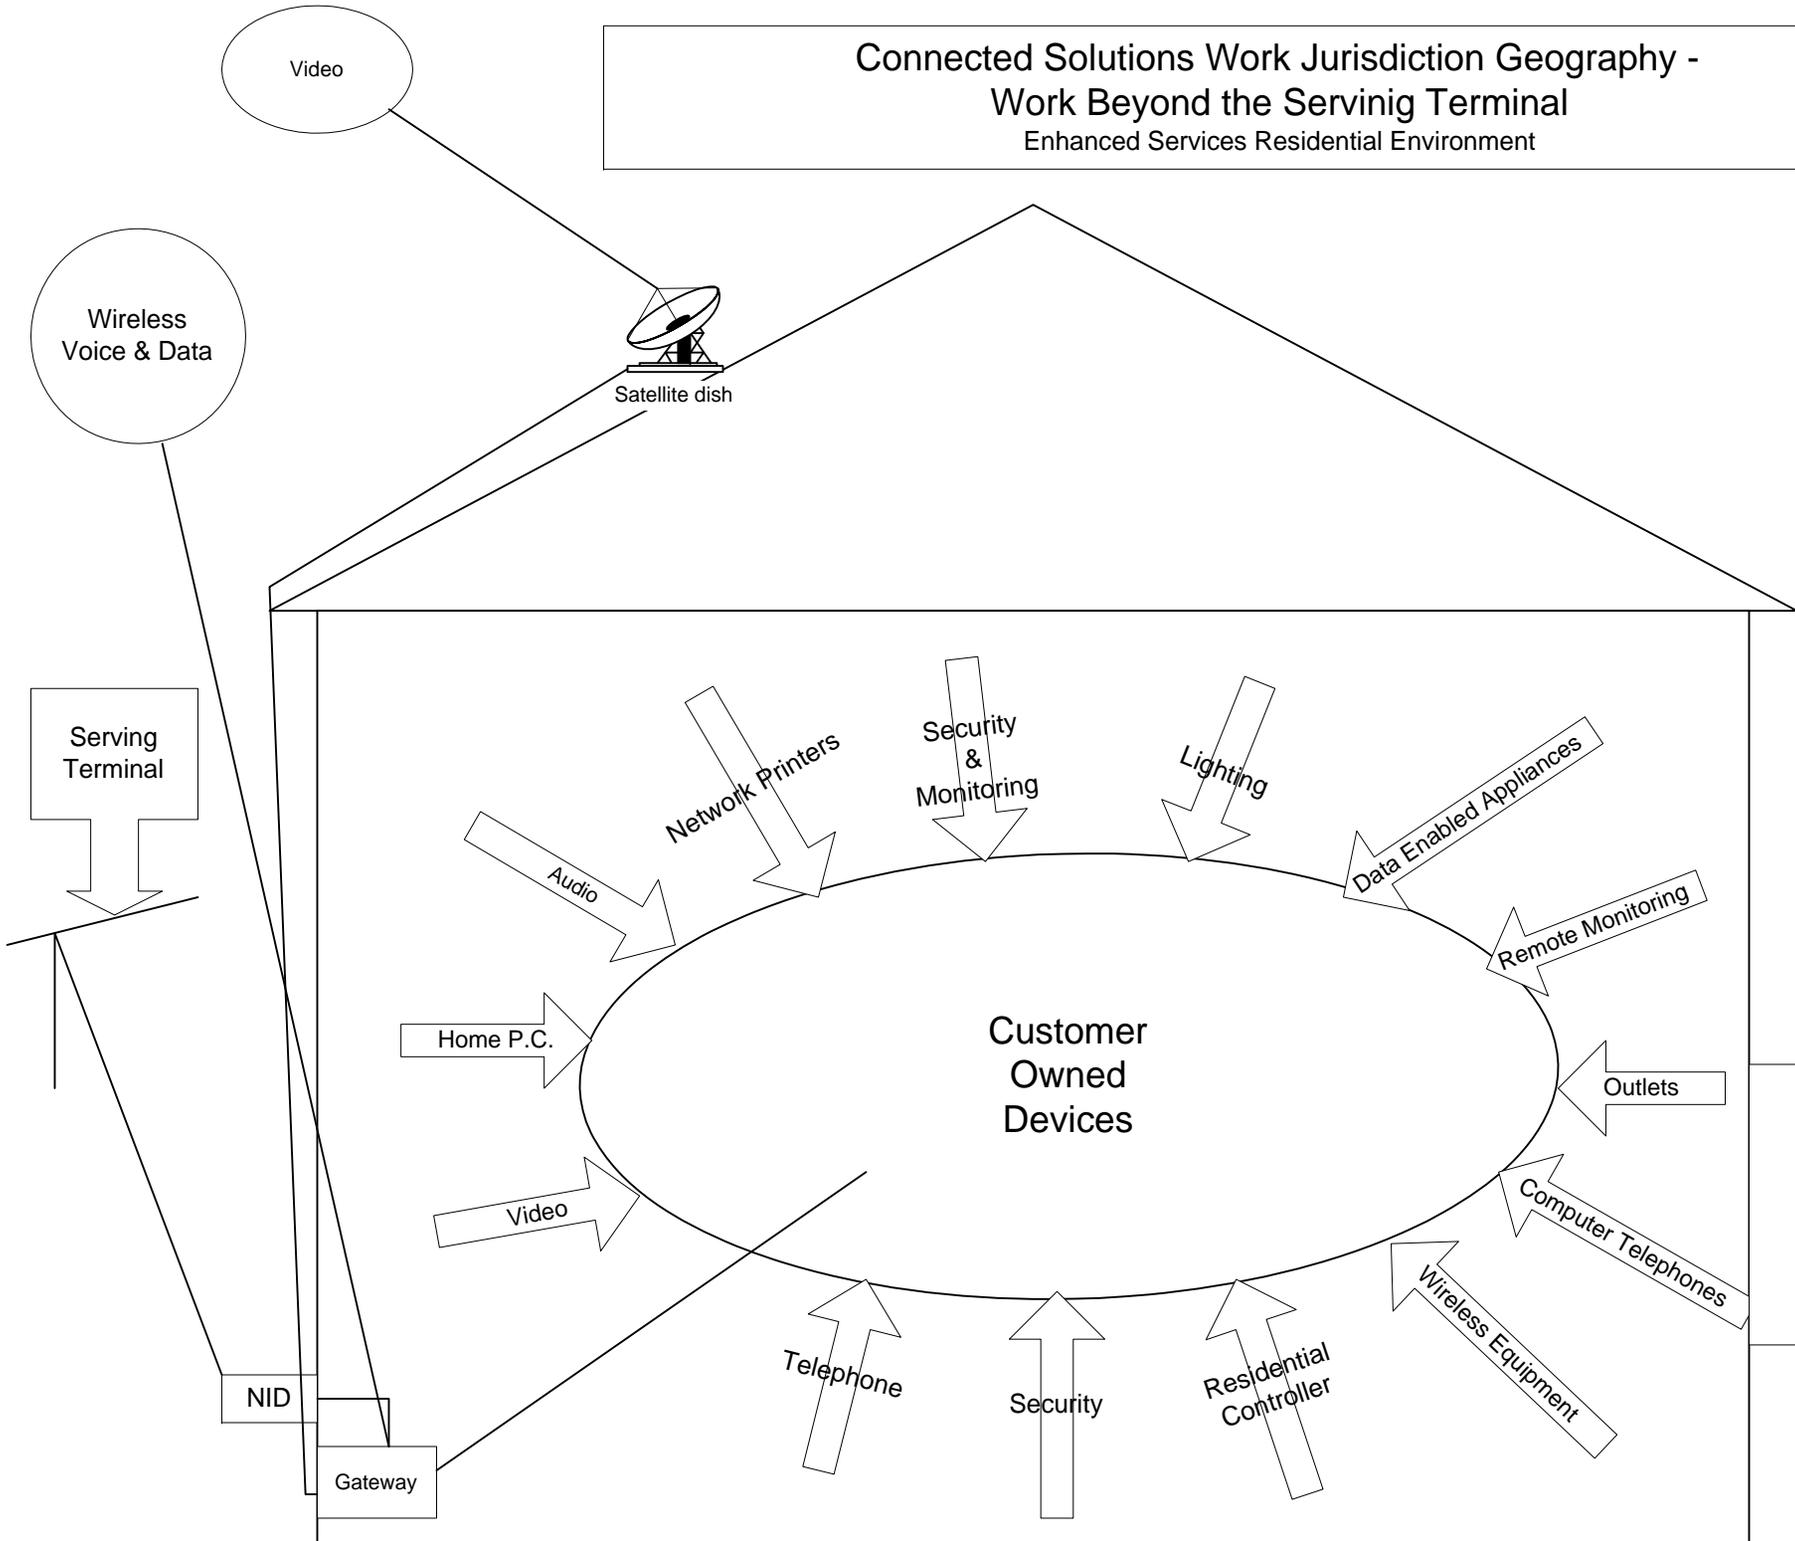

Effective as of January 1, 2013, the Basic Vision Plan and the VDT Benefit under the terms of the VCP will no longer be offered by the Company to VCS employees and their eligible dependents. Instead of the Basic Vision Plan and the VDT Benefit, eligible VCS employees and dependents will be offered the vision care benefits under the Verizon Vision Care Plan for Mid-Atlantic Associates (the “Mid-Atlantic Vision Care Plan”) that apply to IBEW Employees. The VCP will be amended so that a “mirror image” of the vision care benefits offered under the terms of the Mid-Atlantic Vision Care Plan to IBEW Employees will replace the

Basic Vision Plan and the VDT Benefit.

D. Health Reimbursement Account Proposal.

The health reimbursement account provisions set forth in Section VIII.3 of the IBEW Mid-Atlantic 2012 MOU will apply to VCS employees.
