Verizon retirees,

You may be asking, “Will my doctor or health care facility continue to see me under my Verizon Advantage Plan?”

The Verizon Advantage Plan provides you the freedom to see any doctor or professional that accepts Medicare, anywhere in the United States. If you or your doctor have questions about the plan, give us a call and UnitedHealthcare will do the work for you. We can:

- Look up your doctor or health care facility to see if they have already accepted this type of plan in the past.
- Take the name of your doctor or health care facility and make a personal call to them to explain that the Verizon plan pays providers just as much as Medicare would have paid.
- Explain how deductibles, co-pays and your out of pocket maximum work if you have questions.

Questions? We can help.
